Thank you for considering Ogilvie's Preschool program for your child's early school experience!

Ogilvie Preschool/School Readiness (sponsored by Ogilvie Community Education) provides a caring and supportive environment in which children can succeed. Children are engaged in hands-on learning by using developmentally appropriate practice and exciting teaching techniques.

In preschool, the child develops as a whole. This means providing meaningful experiences that build upon and support social, emotional, intellectual and physical development.

Students become active participants in the learning process, which will enable them to become life long learners!

Preschool 3 Class Sections

Ogilvie will be offering two sections of Preschool 3 classes in 2020/2021. Each preschool class will meet 67 times—starting mid-September and ending mid-May.

Both sections will have the same daily schedule and receive the same language, math, science and social/emotional curriculum.

**Preschool 3 Section I:**
- Tues/Thurs: 8:00—11:00 am

**Preschool 3 Section II:**
- Wed/Fri: 8:00—11:00 am

*** In order to run BOTH classes, there is a minimum of 12 students needed in each class.

Preschool Enrollment Requirements

- Students must be three years old by September 1, 2020 to be enrolled in these classes.
- Parents/guardians need to provide an up-to-date copy of the student’s immunization records.
- Students must be toilet trained (unless state in an IEP).
- Parents/Guardians are responsible for transportation to and from school.
- A copy of your child’s birth certificate is needed for enrollment.

Preschool Tuition

Tuition for the Preschool 3 classes is based on a Sliding Fee Scale according to your family’s gross income.

Please refer to the enclosed tuition agreement for the sliding fee scales. The preschool sliding fee scale is based on if your family qualifies for Educational Benefits. Required paperwork will be mailed out early July.

A limited amount of tuition scholarships are available and will be given out to eligible students on a first-come basis.

An application fee of $20.00 is due with registration in order to hold your child’s spot for any of Ogilvie’s Preschool classes.

The application fee is non-refundable.

Tuition is due by the 1st day of class each month.

A 5% discount is available if tuition is paid in full by October 2, 2020.

It is a priority of Ogilvie School Readiness that all children have the opportunity to attend preschool. If you have tuition concerns or questions, please contact Trisha Kotsmith (Program Coordinator) at 320-272-5050.
Preschool Schedule and Curriculum

Along with emphasizing basic skills throughout the preschool day, students will focus on specific skills during center and circle times (more formal instructional time).

In the Preschool classes, center and circle times will focus on a monthly theme and also a “Letter of the Week” based on Handwriting Without Tears and Jolly Phonics programs. We will also spend time participating in math and science exploration centers.

Activities are based on what skills are developmentally appropriate for children ages 3—5 using the Minnesota Early Childhood Indicators of Progress, Handwriting Without Tears, and the Houghton Mifflin Pre-K Curriculum.

Monthly themes for the Preschool 3 classes include:
- Welcome to School
- Fall Colors
- Family & Friends
- December Shapes
- Movement and Music
- Counting along with Eric Carle
- Rhyming with Dr. Seuss
- Community Helpers
- Down on the Farm

Parent/Guardian Involvement

Ogilvie Preschool believes that parents are their child's first and most significant teachers.

Because of this belief, parent/guardian involvement is a required component of the Preschool 3 program.

There will be several opportunities for parent/guardian involvement throughout the year. Some examples are, but not limited to: Fall party (end of October), Fall Parent/Teacher Conferences, Winter party (end of December), Spring Parent/Teacher Conferences (April), Topic Talks, Book Bags and the Parent Advisory Council.

Open communication between parents and preschool staff is key to assist in the success of your child’s Preschool 3 experience.

"In Preschool 3, my child has learned to recognize lots of letters and numbers and he has also started to write his name.”

Minnesota’s Help Me Grow ~

Infant, toddler, and preschool intervention services are provided for eligible children birth to kindergarten entrance who may be experiencing delays in their development for several reasons, including special health conditions. These services are designed to meet the unique needs of each child and their family and are offered at no cost to families. Accessing these services as early as possible will ensure the best developmental outcomes for the child. If you have any questions call 1-866-693-4769 OR find us on the web at: http://www.helpmegrowmn.org
Early Childhood Screening

Thursday, April 9th

Early Childhood Screening is a quick and simple check of how children are doing between the ages of 3 to 4 years. It identifies, at an early stage, possible learning or health concerns so that children can get needed help before starting school. Early Childhood Screening is not a kindergarten entrance test. Early Childhood Screening or evidence of a comparable screening by a non-school provider (e.g., Head Start, Child & Teen Check-ups/EPSDT or a health care provider) is required for entrance in Minnesota’s public schools or within 30 days of enrollment into kindergarten. Contact Mrs. Kotsmith to make your screening appointment today: 320-272-5050 ext 126
