

It is that time of year again when we collect items for our annual Christmas Store P.I.E event. We are in need of the following: household items, tools, crafts, candles, decorations, etc... Pretty much anything you would find at a garage sale **except clothing items**. We could also use wrapping paper, gift bags, tape, etc.. If you can help, please drop the items off on the cart in the elementary entryway.

Donations will be accepted until

Dec 8, 2023.
