

Birthday Party Packages and Options

Open Swim The most cost efficient way to have a swimming pool party is to attend one of our regularly scheduled open swimming times. All children and adults are just \$3.00 (payable the day of the event).

If you want "table time" for cake, food and presents you'll pay just \$25.00 for an hour. If you need more time for your festivities, the second hour is just \$15.00. All of the mess and garbage is taken care of for you! Payment for "table time" is due one week prior to the party.

Please call Community Education to reserve your spot at least 2 weeks in advance so that the appropriate amount of lifeguards can be scheduled.

Private Swimming Pool Parties Parties can be arranged for any day of the week. There is always a certified lifeguard on duty as well as a pool supervisor.
