Training on August 17th, Updating and Editing School and Safety Plans, Preparing Back-To-School Workshops and Trainings, Orders-Final Materials and Needs, Working with the new Para Director for her new role/scheduling, Weekly staff meetings with Elementary Teachers (Thursdays via Google Meet) to keep them informed and pacing together, Communicating with families and answering questions as they come, Family Learning Survey and Data-updates to class lists, special education caseloads, and the impact on all of our planning/scheduling, Met with Sue, Corinne, and Becky Sanborn to finalize district technology needs and timelines, Creating family help guides, tutorials, and videos to begin pushing out, Changes and updates to the faculty and student handbooks, Creation of a family flip chart that addresses 2020-2021 needs/changes, Scheduling and Planning Open House, Constant communication with staff.

Grades 6-12 Principal Davis:

Students:

PSEO: Ms. Wise reached out to students to arrange for meetings and book pick-ups.

Summer Credit Recovery: We had a total of eight students (out of 14) that earned credit. Four others are very close. Overall...it was a huge success this summer!

ACT: Fall test offered on October 6th as a make-up date for this last spring.

Schedules: We will be looking at and finalizing some changes.

Staff:

Curriculum: Still waiting for some math curriculum but it should be here next week. Training for staff on new digital curriculum from APEX Learning and review of Study Island, NWEA, and Google Classroom.

Meetings/Conferences:

Crisis Prevention and Intervention Training: August 17th in Ogilvie. This training is used by staff for verbal de-escalation and restrictive procedures for escalated behaviors.

PBIS Positive Behavioral Interventions and Supports: August 17th. We had a great team of teachers who met with PBIS leaders through Google Meets. Expectations together and then start implementing next year with our students.

Substitute Teacher and Paraprofessional Meeting: August 19th, 2020. We asked to have only new substitutes attend the meeting. We had three new substitutes attend.

New Teacher Training: Today! ...We had four new high school staff attend the training.

Back to School Workshops: August 25-27 and August 31-September 3. Open house is on August 1st and 2nd.

Superintendent Belsheim:

Student School Board Member Meymen:

PSEO classes started Aug 24, 2020. Students are happy to come back to school in person.
