Teacher Observations/Evaluations
Ingensa Meeting
Summer Planning and Early Planning of 21-22 year

Grades 6-12 Principal Davis

Meetings: Teacher Evaluations: Second round of teacher evaluations are finished and we will schedule the last round for mid-March for non-tenured teachers and end of March for tenured teachers. SPED Meetings: Along with our regular SPED meetings, we are starting to look at our programming for next year. Olweus Meeting: We reviewed our past student surveys and are getting them ready to send out again this spring. Wellness: We met to discuss what things we can do to support the wellness of our staff. We will be meeting again to discuss many opportunities. Activities: We interviewed for the spring JV Baseball. We also met and discussed allowing spectators from our opposing teams. Staff Development: This is part of our regular monthly meeting to discuss the needs of the staff and professional development. Q-Comp: We conducted our site review process for Q-Comp. Student Events: *Ogilvie's Radio Hour*: Students will be performing this play as a 1940's style radio show on March 13th and 14th. Winter Activities: Boys and Girls Basketball are doing well with many wins to celebrate. Wrestling has won the Conference Champions title on Saturday in Pine City. Gavin McLevis also won his 100th pin. Speech also is celebrating many participants doing well at their Speech Tournament in North Brand on Saturday. Noah Bitz placed 1st in Prose. OWNit: OWNit was promoting Kindness, Positivity and Love for the month of February. They had many positive notes put on lockers for students to read. FFA Week: There were many different activities for the students and staff throughout this week for K-12 students. Student Academic Support: Last week we started using the hour delay for high school students as an opportunity to provide academic support for students who need it. They meet in the media center to have lessons explained and to have help completing work. Student Organization Support: Ms. Wise has gathered a group of students that meet weekly to work on organization skills. They work on organizing lockers, using their planners, looking up missing assignments, and setting goals. Student of the Quarter Breakfast: We hosted our 2019-2020 Student of the Quarter Recognition Breakfast for all of last year's winners. This is always a great opportunity to express how proud we are of our students. SRO conducts lessons for 6th grade students: Deputy Strom is working with the 6th grade students to discuss several topics to include Alcohol/Tobacco, Bullying, Basics of Communication, and Listening Skills. Lion Pride: Ogilvie High School Teachers for their continued help in covering when we are short of substitutes, when teachers need to be in meetings and when coaches need to leave for events. Bus and Van Drivers for their extreme

care they perform in delivering our students between our many events. SPIRE Credit Union for their continued sponsoring of our Student of the Quarter Program.

Superintendent Belsheim

Interview with KBEC (every third Friday of the month at 8:15) the next interview will be March 19th. Helena Wise presented the Junior class with student school board member information. Applications have been received; interviews will be held. Notice for the REAP grant due in April slated to receive \$32,000. Reading and Math Corps tutors. Request for increase of Judy Sjodin funds.

Board Members

Gunderson: Attended MSBA Leadership Conference, negotiations training, Officer training, Clerk training, Fridays Legislation coffee talk where I met with MSBA legislative liaisons and other SB members from all over across the state to discuss bills headed to or out of legislative committees or to the floor coming from all parties and the Governor.

DeBoer: Attended committee meetings for the food shelf and special education.

Heins: Part one of phase 2 and officers training,

Student School Board Member Meymen
