OWNiT is sponsoring a Toy Drive and a Food Drive in the month of December to help local families.

FFA: Brianna Thoeny is going to State for Meats Evaluation this spring. It was an all virtual competition.

Student Council: Several Student Council members are helping Wednesday with eh COVID-19 Meal Assistance Program through the CARES Act. They are also starting a "Pay It Forward" campaign in which s=they will be sending notes to different people telling them why they are thankful for them or why they are a hero to our school.

Lion Pride:

*Our pride goes out to all the teachers who prepared art, music, and letters for all of our veterans for the Veterans Day Program. A special thanks for our music department for all the extra planning and practices that went into making this day special for our veterans.

*Lion Pride to our teachers who work hard every day in keeping themselves and kids safe while adapting to a new type of teaching.

*Lion Pride to our paraprofessionals who are adjusting their schedules and duties to cover vacancies.

Lion Pride for SPIRE Credit Union as they continue to sponsor of our Student of the Quarter program!

Superintendent Belsheim:

Board members Heins, Peterson, and Smith are signed up for phase 1 MSBA training to take place December 4th 9:00 - 12:00 in the boardroom. Policy committee Nov 30 6:00 pm for Heins, Hickerson and Peterson. Covid Update: 1 student and 2 staff members who are active positive. Kanabec Public Health recommended quarantining close student contacts (43) and giving as much notice to families as possible by contacting them immediately as a precautionary measure. Situation was handled quickly and effectively by staff. A thank you to food service department for providing favorite foods for the staff during conferences. Blood drive was moved to limit visitors into the school building. Para Director Jessica Knoll and Superintendent Belsheim had a meeting to discuss para roles if the need should arise if the learning model were to shift to distance learning. Options discussed were - child care, child specific or in person for SPED, delivery food, office assistant type work, custodial projects, and the idea of general education homework help. Staff were able to sign up for positions and will be selected based on seniority.

Both Jessica Knoll as Para Director and Corrine Anderson in her many roles are doing very well in their respective positions.

Upcoming MOU: In the event that the district pivots to distance learning that Ogilvie Support staff will have the option to go on unpaid leave with the understanding that they will job security and be able to come back when the learning model shifts - or - be able to come back 2021-2022 school year. Many support staff have built up hours of sick leave & PTO the option to keep or use those hours.
